Part A – Items considered in public

A5	CURE Tobacco Addiction Service - Samantha Mansfield	<p>SALFORD CITY COUNCIL – RECORD OF DECISION</p> <p>I, Councillor John Merry, Deputy City Mayor and Lead Member for Adult Services, Health & Wellbeing and co-chair of the Adults Commissioning Committee, in exercise of the powers contained within the City Council Constitution, do hereby approve funding for a period of six months for the continuation of the CURE programme at Salford Royal Foundation Trust, alongside the existing Hospital Stop Smoking Service.</p> <p>The reasons are: To offer a tobacco treatment plan to all inpatient smokers at SRFT.</p> <p>Salford has the highest smoking prevalence in Greater Manchester, with almost 1 in 5 people still smoking. Whilst rates nationally have dropped in recent years, Salford’s rate is not coming down at the required pace to meet the national Smoke Free ambitions of a smoke free generation (prevalence below 5%) by 2030.</p> <p>The CURE programme identifies all active smokers on admission to secondary care and immediately offers pharmacotherapy, such as nicotine replacement therapy (NRT) or Varenicline, as well as specialist behavioural support, for the duration of their admission and after discharge.</p> <p>Options considered and rejected were: Consider with the as is position, whereby some but not all patients are offered this service.</p> <p>Assessment of risk: Low – this is a decision to sustain a service in the hospital in line with financial plan</p> <p>The source of funding is: The Integrated Health and Care Fund (Pooled Budget)</p>
