**Salford City Council – Decisions taken by the Licensing Panel (Premises) on Thursday, 1 September 2022**

<b>Agenda Item No</b>	<b>Topic</b>	<b>Decision</b>
		<p>The Committee noted that there were no representations from Responsible Authorities. Although the Committee understood the residents’ concerns it considered that the problems in the area did not arise from the operation of the premises and were not exacerbated by the operation of the premises.</p> <p>Taking into account all the circumstances the Committee accepted that the additional lighting and use of CCTV cameras throughout the night would assist with security in the area and would be likely to be a deterrent to crime. The Committee therefore considered it appropriate to grant the licence with the additional condition to hold regular meetings with residents.</p>
