ANNUAL REPORT OF THE CHAIR OF THE AUDIT & ACCOUNTS COMMITTEE 2018/19

Foreword

I am pleased to provide this foreword to the Audit & Accounts Committee's tenth annual report to Cabinet, which details the achievements of the Committee in 2018/19.

I would like to place on record my appreciation of the support I have received during the year from Members of this Committee our head of Audit and her very able team. May I also thank Mazars in their first full year for hitting the ground running and keeping us abreast of all issues and our Head of Finance together with our head of Legal for their help and advice. My Committee including our two valued co-opted members have been a significant help in helping to fulfill our responsibilities as required in the Terms of Reference (see Appendix A) and for asking those searching questions.

The Audit & Accounts Committee's remit, as defined in the council's constitution, has allowed the Members to develop an overview of the whole system of governance within the council. A summary of the areas of responsibility which the Committee covers includes the following:

- Receiving and considering the content of reports from Internal Audit
- Receiving and considering reports from the council's External Auditor
- Ensuring that management teams take appropriate actions to implement the recommendations contained in these reports
- Scrutiny of specific Service Groups to ensure that audit requirements and recommendations are being met
- Receiving reports on risk management and governance issues
- Having responsibility for ensuring that the Annual Statement of Accounts and the Annual Governance Statement present a fair and accurate position of the council
- Having regard for the Annual Audit Letter provided by the council's External Auditor.

The reports that have been scrutinised over the last twelve months include:

- Council's Fraud Detection Activity
- Reports from Internal Audit and External Audit
- Strategic risk register.

In March 2019 the Committee conducted a self- assessment exercise against the CIPFA good practice guidance. Overall, the response from the Members in the exercise was positive with the following requirements identified:

- Further highlight the role and purpose of the audit committee across the authority
- Assess further training requirements
- Assess knowledge and skills required by Members.

We will continue to value our relationship with our internal and external auditors, and we will also continue to ensure that all recommendations in relation to audit reviews are implemented in a timely manner.

Whilst recognising the volume of reports that officers are required to prepare for this Committee, it is pleasing to note that officers continue in their efforts to provide reports in good time prior to the Committee.

Last year I said we would face particular challenges in ensuring, by undertaking detailed scrutiny of all areas of the council's work, that the risks which are inevitably present when costs need to be reduced and efficiencies made are acceptable and kept to a minimum. This coming year our challenge remains very much the same, we must therefore continue to be diligent in our efforts. May I also take this opportunity of welcoming those new members who have joined us for the coming year and hope that they find our work helpful and rewarding.

I look forward once again to leading this committee with the help of all members through these continuing challenging times adding value to the work of the Council.

Councillor Robin Garrido
Chair of the Audit & Accounts Committee 2018/19

1. Introduction

The Audit & Accounts Committee was formed in May 2008 by a merger of the existing Audit Committee and Accounts Committees. The year 2018/19 was the eleventh year of the Committee and five meetings were held in the year.

2. Committee Information

Roles and Responsibilities

The roles and responsibilities of the Audit & Accounts Committee have been drawn up to meet with best practice as laid out in the “CIPFA Audit Committees - Practical Guidance for Local Authorities” which was updated in 2018. The updated CIPFA guidance for Audit Committees, issued in May 2018, was considered during 2018/19.

The Terms of Reference of the Committee covers the following main areas:

- Governance Risk and Control
- Internal Audit
- External Audit
- Financial Reporting
- Accountability Arrangements

The Terms of Reference is reviewed and approved on an annual basis. The Audit & Accounts Committee reviewed and approved the Terms of Reference at its meeting in October 2018 which covers the municipal year 2018/19. A copy of the current Terms of Reference is provided at [Appendix A](#).

Membership

For 2018/19, the Audit & Accounts Committee consisted of eight elected Members and also two independent Members. The Lead Member for Finance and Support Services is also an invitee to the Committee. In line with best practice, the political representation on the Committee reflects that of the council and the Chair is drawn from the official opposition party.

The two independent Members have been Members of this Committee throughout 2018/19.

Meetings and Attendance

The Audit & Accounts Committee has held five meetings during this municipal year. The timing of the meetings throughout the year is designed to coincide with the governance timetable of the year; during 2018/19 this included a meeting in June to approve the council’s Annual Governance Statement and to receive the draft Statement of Accounts, and in July to approve the Final version of the Annual Governance Statement and the Accounts and to receive the External Auditor’s Annual Findings Report.

During 2018/19, in line with best practice, the Committee was attended by: Mazars as the council's External Auditors; City Solicitor; Chief Finance Officer or the Head of Financial Management; the Head of Internal Audit; and the Internal Audit Manager. The Assistant Director of Planning and Performance also attended to report updates on the strategic risk register; with other officers attending as required.

3. Committee Achievements

The Committee has made considerable achievements during the last year. The work of the Audit and Accounts Committee has been undertaken as detailed in the Terms of Reference. The Committee completed an annual self-assessment exercise at its meeting in March 2019 based upon updated Audit Committee guidance issued by CIPFA in 2018. Members completed the evaluation using the electronic voting technology, as in previous years. Positive responses were received from the Members and, as part of the action plan it was agreed to further highlight the role and purpose of the audit committee across the authority; assess further training requirements; assess knowledge and skills required by Members. On the whole, the self-assessment process is a valuable toolkit that provides anonymous feedback and enables Member training and development to be identified.

Audit and Risk Management

The Committee received update reports on the council's key strategic risks at the June 2018; October 2018; and March 2019 meetings of the Committee. In addition, Members have requested further details of items that are considered a significant risk or contained within the Council's Strategic Risk Register around Pupil Place Planning, at the June 2019 meeting.

Internal Audit

The Committee receives and approves the Internal Audit Strategy and Annual Plan for the year. The Annual Plan for 2018/19, which Members approved in June 2018, provides details of the "Assurance Themes" and the reviews that Internal Audit planned to undertake during 2018/19. Furthermore, the report breaks these themes into constituent audit areas, providing Members with a greater degree of detail.

During the year at each meeting, Members monitored the progress against that year's Internal Audit plan by way of a progress report, and received the Head of Audit's Annual report for 2017/18 at the year end, in June 2018. At the October 2018 meeting, Members received the report on quality assurance and improvement of the Internal Audit Service which contained the updated action plan from the external assessment against the Public Sector Internal Audit Standards.

Between meetings, Committee Members were provided with summary copies of all the Internal Audit reports issued in the intervening period. Members are able to request a full copy of any report, or address any questions they may have, to the Internal Audit Manager.

At the Committee meetings, the Internal Audit Manager presented the audit reports completed in the last period and also the progress made by service groups in implementing the recommendations of previous reports by way of Post Implementation Reviews.

To ensure that the challenge process is robust, the Terms of Reference of the Committee includes an escalation process to ensure any concerns Members have can be followed-up (see appendix A1).

Internal Audit also provided reports on special investigations that were ongoing or completed, this gives Members the opportunity to consider whether the council's Anti-Fraud, Bribery and Corruption Strategy is being effectively applied.

In addition, an annual report was presented in June 2018 which summarised matters which have been rejected, closed, or completed under the provisions of the Regulation of Investigatory Powers Act 2000 (RIPA).

The collaborative partnership with the internal audit team at Warrington Borough Council continued during 2018/19 and the Head of Internal Audit at Salford splits her time between the two Authorities. The purpose of the collaborative working is to share resources and achieve savings for both councils.

Accounts

In accordance with the Accounts and Audit (England) Regulations 2015, the Authority's accounts were presented to the Audit & Accounts Committee for approval at the July 2018 meeting. The Head of Financial Management introduced this report which provided comments on the external auditor's reports and stated that in general the council agreed with the findings of the external auditors and had amended the unaudited version of the 2017/18 statement of accounts accordingly.

External Audit

Public Sector Audit Appointments Limited (PSAA) appointed Mazars LLP to audit the accounts of Salford City Council for five years from 2018/19. The appointment started on 1 April 2018. In relation to the work of the External Auditors, the Committee received Progress Reports from Mazars at each meeting.

At the July 2018 meeting, after the previous external auditors, Grant Thornton, had finished their review of the accounts, the Committee received Grant Thornton's Audit Findings Report for 2017/18. The Committee voted to authorise the changes to the statement of accounts outlined in the Audit Findings Report; note the representations made by the Chief Finance Officer; and authorise the Committee Chair to sign the statement of responsibilities within the statement of accounts. At the October 2018 meeting the Committee received Grant Thornton's Annual Audit Letter.

Training and Development Work

Following the Committee self-assessment session at the March 2018 meeting, refresher training on the role of the Committee was provided by Mazars at the October 2018 meeting, supported by Internal Audit.

Training on 'Evaluating the Effectiveness of the Audit Committee' (How the Committee adds value to the Council) was provided by the Head of Internal Audit at the January 2019 meeting.

4. Committee Priorities for 2019/20

To build on the achievements of 2018/19 by:

- Continue to request officers to attend the Committee to explain actions being taken to mitigate risks identified on the Corporate or Service group level Risk Registers
- Enhance the oversight of risk management by requesting that Service Groups periodically present their risk registers to the Committee.
