

0-25 Transformation Highlight Report

Sub-Group/Programme: Early Help Neighbourhood Operational Group (EHNOG)

Lead: Becky Bibby, Assistant Director, Early Help and School Readiness Contact: Clare Hopton, 0-25 Advisory Board Business Manager

Work programme context:

The Early Help Neighbourhood Operational Group (EHNOG) was established in October 2019 following a refresh of previous arrangements for Early Help and will oversee the work plan for Early Help across the City. It will provide deep dive exploration and intelligence on the Early Help system to identify areas for further connectivity and escalate potential barriers and challenges to the appropriate forums and boards.

In response to Covid-19, the group has revisited its key priorities and opportunities for partnership working to develop a revised Living with Covid-19 work plan that will be implemented over the next 12 months.

Programme structure and implementation:

- Reports to POG (joint Council and CCG governance) and 0-25 Advisory Board
- Assurance reporting arrangements also established with the Salford Safeguarding Children Partnership (SSCP)

Progress summary (last 8 weeks): *(high level and by exception)*

- Early Help Neighbourhood Operational Group met on 8 September and identified leads, opportunities for partnership working and agreed timescales for the Living with Covid work plan. Reporting template created and regular updates will start to come through the group.
- Deep dive on neighbourhood working at the 0-25 Board on 9 October. Actions were identified for further partnership working and are currently being followed up.
- Quarterly Early Help Newsletter developed, and the first edition circulated across the partnership. The newsletter has been well received and positive feedback has been received on the layout and content. Please see attached.
- PID and Project Plan for the 1001 Days Antenatal and Postnatal Pathway developed with leads from Early Help and Health and awaiting sign off.
- Schools coordinators and police engagement officers programme re-established

Outlook summary: (next 8 weeks)

- Early Help System Guide Workshop scheduled for 10 December.
- Development of Strengthening Families Project Plan.
- Salford Relationship Matters Campaign to support partner awareness of parental conflict (this is being supported by the Early Intervention Foundation).
- First updates on progress on the Early Help Living with Covid Plan.
- Home Safety launch on the 2nd November 2020.
- School Nurse resource pages for professionals and young people parents being added to the Salford Family Partnership online website.
- Strengthening Families online resources being added to the Salford Family Partnership online website.
