**Justification of decision**  
**(Please provide details of reasoning)**

**The request contained in the Procurement Board report contains commercially sensitive financial information, related to a support and end user training contract which is time sensitive, which is an extension of an existing contract/relationship and which is with a supplier who is providing a service which is not readily provided by a number of suppliers in the marketplace, if indeed any, and the provider appears to be in a unique position to provide the services to the Council to realise the benefits set out in the report. There is also some urgency required in appointing the incumbent supplier.**
