Health and Wellbeing Board’s duties or responsibilities in this area	External Governance and Oversight.
Key questions for the Health and Wellbeing Board to address - what action is needed from the Board and its members?	That the Health and Wellbeing Board is asked to assess and make recommendations on: <ul style="list-style-type: none"> • The Salford Way Outcomes Report and the actions being implemented at a practical level. • Delivery of the Salford Way in line with other relevant strategies such as Salford’s Locality Plan 2020-25, ensuring actions are streamlined in the most effective way to reduce social, economic and health inequalities.
What requirement is there for internal or external communication around this issue?	

2. Introduction

In March 2021, Salford’s City Mayor launched ‘The Salford Way’: a response to the Greater Manchester Independent Inequalities Commission’s recommendations and a realisation of the ambitions within ‘The Great Eight’ priorities.

The Salford Way approach contains three interlinked strategies: Tackling Poverty; Inclusive and Green Economy; and the Equalities and Inclusion Strategy.

Since then, work has been ongoing across the council and wider city partnerships to implement the strategies. This report contains some of the highlights and achievements delivered within the first year and sets out the direction for the next three years of The Salford Way

3. Recommendations for action

The Health and Wellbeing Board is asked to note and comment on:

- Tackling Inequalities: The Salford Way - Year One Progress Report, which highlights the outcomes achieved in the first year of the three strategies under 'The Salford Way': Tackling Poverty; Inclusive and Green Economy; and the Equalities and Inclusion Strategy.
